“ *Maryanne Barr posted a condolence My Mom Peggy Barr and Mrs. Michelfelder were great friends for many years while growing up in Freeport. I'm the middle child in a large family of kids and will always remember how Mrs. M "made me feel so very special". She truly had a sparkle in her eye and was always so fun when our paths would cross. My Mom also passed recently and as much as I miss her I did smile thinking that the two Pegs will seek each other out and talk on a heavenly corner for hours. Much love to the family, you are all part of many great memories. We learned how to laugh from the best. Lovingly, Maryanne Barr*

“ *Mary Lou Malm lit a candle We were lucky to have known you as a wonderful neighbor & friend. You were always so gracious, warm and so very quick with a joke. You never let an opportunity slip by to enjoy the company of someone of the opposite sex! You are the truest meaning of a "People Person" and all those who knew you were all the better for it. We will miss you Peg. Love, The Malms*

“ Joey Michelfelder lit a candle I love you so much Grandma. You always made me laugh, and used that humor to bring smiles to so many faces. Now you are in heaven, and can finally rest. I know you are smiling down upon and watching over us. You are loved by more people than you could ever know. I'm sure you had St. Peter laughing when he met you at the gates to heaven, (knowing you, you probably flirted with him). Put in a good word for the rest of us, or leave the back door open.
