“ Katherine Bailot uploaded photo(s) *Even though we couldn't be physically present due to circumstances, we are thinking of our dear family during this difficult time. Tia Celia was a loving person and she will be missed very much. We look forward to meeting her again in the near future. (John 5:28,29) "Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life..."*

“ Alex and Jacqui Rodriguez posted a condolence I'm sorry that we couldn't be with you all during this difficult time. I can't tell you how sorry we were to hear of Celia's passing. She was such a wonderful loving person. I always admired her energy and passion and the way she just enjoyed life. Nothing ever seemed to slow her down. I will always remember how she just embraced people as if they were friends for years, and more so how she embraced me as if I was one of her own, and that trait is shared by all her children which is probably her greatest legacy. I know the love and strength the family has will help in getting through this sad and difficult time. Again I'm sorry we could not be with you but you have our very deepest and sincere sympathy.

“ Astrid Echenique y flia posted a condolence *Mi querida Hna y amiga, vuelvo a repetir lo mucho que siento la pérdida de tu mami a la cual también llegue a apreciar mucho, aunque nuestra fe nos da esperanza nunca nos deja de doler la pérdida de alguien tan especial como tu mamá. Quisiera haber podido llorar contigo y abrazarte y darte el valor que necesitas, pero aveces la vida complica todo por los sucesos imprevisto. Solo deseo que Jehová te de valor para llenar un poco el vacío de esa gran mujer que crío a una hija tan maravillosa y especial como eres tu Conchi. Para todos tus hermanos y flia, en especial Aidé y aquellos con los que siempre he compartir mis mas sinceros condolencias .*
