“ Nancy posted a condolence I have been sitting here going through what to write & realized there would not be enough room to write what she means to me & what she has done for myself & everyone around her.
My heart aches.
Today I say goodbye to the greatest woman I know. I love you Mom, you will always be in my heart.

To Nancy and all the family...Marian always treated me as one of the family and emotionally supported me and some of my darkest times... She encouraged me to always go forward because there was light ahead.... Thank you for all we shared together... 🙌
