“ *Mark was my besst friend for years when we're in grade school. We walked home together many times after school. He got me to join boy scouts soon after. He was always happy, loving and loyal. My sister was also dear friends with his sister Karen. I'm glad I spoke with him once about 15 years ago..*

“ My Mark Sullivan memory is going back 25 years ago ...my daughter Alison was born in February and when Joanne and Mark welcomed Matthew and Christopher in September of that year. I was delighted that I could share some baby gear with them . Easy enough right? Well after dropping of a car seat or whatever I was traveling home in Merrick decided I would stop at the local library and return a book in the book drop. Well I had 7 month old Alison in the back seat , I got out with book in hand , closed the driver side door and then the clock sound ,, yup I like locked Alison in the car and it was running panic set over me I knocked on a door next to library called Joanne and Mark and as busy as they were with 2 new babies in the house, Mark pulled into the library parking lot . To this day ,I never was so happy to see his face ! A hanger and determination on Marks part got the door open after only 5 or 10 minutes, seemed like an eternity to me ! That one act of kindness from Mark as busy as he was just shows us his kind heart and my eternal gratitude. Thank you Mark for being you . We are all better from knowing you and we will miss you and will see you soon , love the Dixon's .
