“ *Helen Van Tine- Golden posted a condolence To the Maguire Clan, Mary was a legendary woman. I adored her from the first moment I heard her voice at Amato Opera and then to meet her radiance and generosity and beautiful face, I was overcome. She was Tony’s favorite and he told me so himself. And I got to share part of her experience at the Met. She was so important in my life taking me from a fumbling singer and a more than fumbling mom to a new understanding. Her compassion and positivity helped me immeasurably over many a hurdle . She loved you all so fiercely and rooted for you all with the fierceness of a Marine!! She wore her love for you like a diva diamond necklace. Everyone loved her. I know she is right away in heaven with Nannama and making everyone laugh and feel At home and going “ over the footlights” of heaven. I pray God took her gently. Bless you all.*
