“ Louann Macey posted a condolence Not only was Mel my stylist for so many years, she became a friend who is like family. She was the only person I would sit in her chair and trust to cut all of my hair off, and know it would grow back beautifully. When I couldn't be there for her, she was there for me, after many hospital stays, she would come to my home to make sure my hair was fine. I couldn't walk for Think Pink Always last year, but she made sure she came to watch me perform for The Breast Cancer Society, because that who she was. All I have is the happy memories I reminisced on yesterday, Mel knew I tried to get there, and because I couldn't she came to me last night, as usual we laughed and talked at the shop until she bowed her head, she had her bible on her lap, playing her music on her phone and said nothing else. I love you Mel, I can't believe you're not here. My heart felt condolences goes out to Keith, Kyler, Lorraine, Jocelyn and the entire family. May God Give you all strength in your time of need.

“ Sharon Mincy posted a condolence I'll always remember when Melanie and I took Kyler on a mini college tour. What we thought would be a 4 hour drive turned into a 7 hour drive. All we could do was laugh and push on. We had such a good time and Kyler ended up going to that school. Best road trip ever!
