“ Kay Prainito posted a condolence To the Werner Family, Mike was such a happy, friendly man. He would stop and talk for a few minutes almost every day. I remember when his son Matthew had applied to Hofstra. He was so proud of him and of all his family. He would share tidbits of information about Freeport athletics, as we shared several friends who either went there or worked there. He always had such a positive outlook on life. Mike will be missed by so many people whose life he touched simply by his positive attitude. My most sincere sympathy to his family. Kay Prainito
