“ Tyler Sarro posted a condolence Words can't describe how heart broken I am that my Aunt Micki has passed. She was such an inspiration to me because of the pure fact that she can put a smile on my face any second of the day. She was definitely known for her great laugh that without a doubt could get anyone laughing as well- it was that contagious. I'll never forget the great stories that she shared with me and the things she has taught me. She touched my heart with love and I will keep that with me for the rest of my life. I love you Aunt Micki so much! May you rest in peace. -Tyler Sarro

“ OLIVIA GOLLIN HOEPFL posted a condolence *How could we not have loved this woman when she came into the family? Her laughter was contagious, her love steadfast. Barbecues on the back deck, watching kids dunk each other in the pool, conversations over morning coffee and nighttime pizza, every time we made it into town from Texas or later from Ohio....Heartfelt memories one and all....One great sister-in-law to me, and aunt to Lucas. Field, Dennis, Patrick, and Bryan, you are in our hearts, as always. With love, Liv, Bill, and Lucas*
