“ TO: My Aunt Muriel,

*You were one of the brightest spots in my life when I was young. You were always there for me and everyone else. Your humor, your caring and compassion will be forever missed. I wish I could have visited you more in life, but somehow, I know we always knew we were thinking of each other no matter how far away. I know the gates of heaven will be wide open for you when you get there. Say hello to my mother for me, I know she's waiting for you. Until we meet again,*

*Love Billy...*
