

Nancy J. Fernandez

November 27, 1948 - November 18, 2025

Nancy J. Fernandez passed away peacefully on the evening of November 18, 2025 surrounded by her devoted children for her final moments.

She was born in Long Beach, NY on November 27, 1948 to parents Elsie Karl & William Gillespie. She was a devoted mother to Joseph, James & Jeanna, a loving Mother-In-Law to Carol & Robert, a devoted grandmother to her granddaughters, Noelle, Alyssa & Taylor and a loving sister to her 7 siblings (William, Elsie, Judy, Joan, John, Cathy & Barbara).

Nancy was a kind and gentle soul, and all who knew her loved her, and what's more is she always made sure you knew she loved you. Her kitchen was a place where we would all gather for her wonderful cooking. She was happiest gardening in her yard, caring for her cats and taking care of others. Her absence will be felt by many. The legacy she leaves behind is her unwavering perseverance and the love that we all felt. We will all continue to feel her love for years to come in our treasured memories of her. May we all carry that love forward in honor of her.

In lieu of flowers please consider a donation to Bobbi and the Strays in Nancy's name.

“ My sister Nancy will be dearly missed by so many people, she was a dear sister and sister-in-law. Nancy was a beautiful lady inside and out, and a tower of strength, who fought the impossible. A mother who was very proud of her three children, loved and cherished each one of them unconditionally. She made this world a better place for everyone, whether you were family, friend or a stranger. We would laugh and cry together over messenger and all the videos we sent back and forth. We loved the furry babies Nancy being a big cat lover. Her phone calls were precious, we will never forget her gentle voice and laughter. Although we lived far away you were always there. We dearly miss you, you are an Angel in Heaven as you were on earth. Rest in Peace sweet Nancy. Our arms are wrapped around you tight as always.
Love you dearly Bill and Carol ☐☐☐

“ Dear Jeanna and Family, my heart aches to hear the news. While it has been so many years the memories of your mom are still very fresh. She was gorgeous and with such a big heart 💜. I remember her letting me call her mom on the road trip to Myrtle Beach and how much love she had for everyone. Rest Easy Nancy 💕🌸🙏
