

Nicole Burke-Morck

November 21, 1977 - August 3, 2024

Niki was vivacious, full of life and loved her family and friends fiercely, and no one more than her daughter Ashley. She was a brave and loving mother to Ashley Burke, devoted daughter of Ellen Ramirez, loving wife of Damon Morck, caring sister to David, JR, Harley, Aryan and Dallas, and a loyal friend. Niki's generosity made sure no one around her went without. Niki was the embodiment of "if there is a will, there is a way."

Over the years she proudly managed Frasada Salon & Spa in Oceanside and later Villa Towing & Collision in Freeport.

Donations towards Niki's arrangements can be sent to: <https://gofund.me/9c6fe301>

“ I think we can all agree that Nicole was a woman that was always strong in what she felt. She stood firm for those she loved and knew. If I ever even insinuated I needed help with something, she never hesitated to volunteer. And not just in words. I was so happy when the day before her accident she told me she's ready to be a follower of Christ. I knew that she would seek Him wholeheartedly because that was her character. Although I didn't get to enjoy her spiritual walk with her, I know God knows our heart. There are questions we all have about why we must experience such loss of those we love, or why now? I trust in the God that loves us, loves Nicole, and I truly believe he heard what she said, knew what was in her heart and took her to a place far better than this. “No eyes have seen, no ears have heard, no mind can conceive what God has in store for those that love Him”. Her struggles are over 🙏

“ My Love, my partner, my counterpoint, my world, my everything is somehow gone in an instant forever, just like that! How the hell could this happen to My Baby? She's way to smart, way to giving and way to valuable to lose. And not to just me, but to everyone who's been blessed enough to have known her. And even for some that just had the opportunity to have met her briefly, as I've seen her go far beyond her duties when she was an employee to help customers on her own time, day or night, weekends, anytime. She not only wanted to make their lives easier, but she would serve whichever company she was working for as if it were God's company. Whatever she did, she did with integrity, purpose and conviction. Nicole was constantly putting her needs aside to help anyone, anywhere, anytime... Super smart, resourceful and tenacious; if there was a solution, you can bet your ass Nicole would not stop until she found it. Nicole is, was and ALWAYS will be the most beautiful woman in the world to me!!! And as my tears are streaming down my face onto my keyboard, I feel compelled to tell the world that this is the saddest time of my entire life and it's right on the cusp of being unbearable!!!! I am utterly broken and crushed so much more because my wife dying like this at 46yrs old a day or two before telling my Mom, Rose, that she is ready to really be a Christian. Losing the LOVE OF MY LIFE now after she has come so far has shaken my faith to the very core! I am angry, hurt and feel cheated and feel like God himself let me down. Nicole was growing closer and closer to God as she sought Him. As a result, she was under attack by satan himself because Niki started seeing demons in our home, coming at her, scaring the living shit out of her, appearing day and night, in her sleep and when she was wide awake. I called in experts, we put crosses everywhere, wrote powerful scriptures on the walls, prayed in groups right here in the same home, casting out demons in the name of Jesus. We both witnessed LIVE footage on our ring camera on our way home of a huge raging fire coming from our fire pit in the backyard when I checked it was barely coals when we left. So being about 8mins away, we raced home, pulled up, ran into the backyard and there was no flame whatsoever. As God as my witness, I saw the footage

myself with Niki, my wife and when we rewind the footage, it was gone!!! She is, was, and always will be one the best damn women God put on this earth! She deserved better, so maybe that's why God took her. I would give my right arm to just have my baby back, even for just one more day, so I could tell her she is and always will be the best thing that ever happened to me, to tell her she is the most important thing in the world and I will die without her. I will be sad for the rest of my life, that I am certain. Nicole was a remarkable woman. I will forever remember her smile and her daily sacrifices always putting the needs of others first, I was blessed to have her as my wife for 15yrs!!! Yet I feel cursed that I only had her for 15yrs, We were overcoming hurdles that we've dealt with throughout our marriage and had great plans in place as we were gonna grow old together in our new home. The only consolation I have is that I am the one who is grieving, so she won't have to experience this overwhelming grief and sense of loss and emptiness I feel because it is absolute torture! I will miss you and long for you and think mof you every single day till I die! I LOVE YOU BABE AND YOU CAN NEVER BE REPLACED!!! YOU ARE THE BEST DAMN WOMAN I EVER HAD OR EVER WILL HAVE! GOOD BYE BABE, SEE YOU ON THE OTHER SIDE, XOXOXOXO
