“ *Oliver was a brother to me at Geico. Always hard working and helpful. The first time I met him was when I was working in the mail room and helped me find an employees desk to drop off their mail. But everyone will remember Oliver for his great sense of humor. We were on the same team for years he would stand up and ask me to do an impersonation and start laughing. His laugh everyone will remember him for also. He knew how to make people happy. You'll be missed bro. God Bless you and your family. Alix*

“ *Oliver, for as long as I could remember, you have always been a part of my life. You've always looked out for me, loved, and cared for me at all times. I'll never forget how proud you were the day you walked me down the aisle. I hope at peace and that your worries and troubles have been put to rest. I'll love you forever little brother. It's not goodbye , it's see you soon.*
