“ Kristy Preston and Tom Wittliff posted a condolence Pat...I don't know where to begin, i feel very blessed to have known you. You are truly one of the most beautiful souls I have ever met. You offered emotional support to me through the loss of both my parents, all the while tirelessly taking care of Richie. You framed my Dad's pictures, you sent Preston such a beautiful gift that he will cherish forever. And meeting you at the Statue of Liberty, well that moment is priceless and will forever be etched in my memory. I will never forget you! Thank you for your kindness and compassion. I pray the Lord holds your family close in His arms during this most difficult time. ❤️❤️❤️
