“ Valrie Wisdom-Mason posted a condolence My darling sister it's Two years to date since you left us and it's an agonizing time for us. Who would have known that you would followed so close after Mom death. Really hard on us. Sis you will always be in my thoughts, your kindness, laughter and jokes from way back will never leave my thoughts. Most importantly that day we went to movies, dinner and shopping and not knowing that this would be our last days together. I will always treasured these memories. You are my darling sis forever and i will never forget you.
RIP .
