“ Mary Cloonan Brainerd posted a condolence My dear Uncle Paul You are so very dear & tender to my heart. You always called me your second favorite red head. I carried that in my heart as a badge of honor! Your first favorite red head was our beautiful Aunt Theresa. Now you are both reunited in heaven. But here on earth you were blessed with another - Barbara. She is an amazing blessing to all who came to know & love her! Uncle Paul you were always fun! But I remember once you cooked venison-tasted like liver!!! But to kill the flavor you had great red wine & brandy liquor! Even if we were too young you always let us have some! From the bottom to the top of my heart I love you and will miss you. I loved coming home to NY to see you. Now I'll just have to visit your kids- my great cousins. Wow how blessed we are to still be close after all these years. The legacy our parents left. We will forever carry that on in our hearts & in our lives because that is what they would want! I love you all so much! I'm so sorry. Love, Mary & Steve

“ Tim & Toni Cloonan posted a condolence Uncle Paul & Aunt Theresa, I have tears in my eyes, you are missed & loved. My Mom always wanted to make sure when I said my prayers the Ducharme family was included as you were all our family to the Cloonans. Uncle Paul & Aunt Theresa, I always thought of them as "Teachers" they were so smart , but in a way that they were always teaching you- lucky us! Family- we are blessed to have such outstanding parents who would keep the family together- all the family outings to grandma & grandpa home to be with our cousins. I remember the big parties at your home- your dining room table was covered with food & some family would be in the living room ( Uncle Bob playing the guitar) Sister ( Nun ) was always smiling & some out back all being family. I Love you Uncle Paul & Aunt Theresa, Marie, Steven, Vincent, Anne, Chris & extended family. Sorry if I missed anyone- Big Cloonan Hug's! Your family & always in our hearts.
