

Peter Charles Brendel

June 1, 1993 - August 26, 2025

Peter Charles Brendel was a wonderful son, brother, cousin, nephew, uncle, friend, and partner. His dark sense of humor though great in times of hardship, lead many to initially believe this was a joke. Even through all of the heartbreak and pain, we all find ourselves repeating the phrase “That is a very Peter thing to do.”

Despite this dark sense of humor, he was a calm, gentle, and caring man in a crazy and chaotic world. He showed his love through cooking... and he cooked for everyone. It's so hard to describe him in just a few sentences, but this is the best way to express he has made such a lasting impact on his family and friends. He was taken from this world too soon. He is and will be deeply missed.
