“ Aunt Fannie was the most loving, caring, generous woman I have ever known. She was always welcoming and made you feel comfortable in her home. Always offering a soda, food or candy, and she always had candy! I think my love of coffee and butterscotch candies came from her. I remember as a small child a pyramid or Christmas tree like candy jar with different layers of candies. It's the strangest things we remember sometimes. I will miss her eggplant. I will miss her laugh. I will miss her saying; "Ooh yea!" when I'd tell her something surprising. I will miss our chats. I will miss HER! Rest easy, Aunt Fannie. Until we meet again. Love you!

That was beautiful my dear little sister. I couldn't have said it better myself

She was an amazing woman. So very full of love and life. Aunt Fannie was there for us for every milestone in our lives I so enjoyed visiting her when they lived on Frost st. I must have been such a pest to Cookie, lol. I followed her around like a puppy. I remember the bathroom was in the hallway in that old Frost Street Apartment. I am heartbroken over her passing. May her memory always be for a blessing. Rest in peace. We lost a treasure.

Fannie was a great neighbor to my mom Mary Kaplan, she would make the flight of steps every day to put on my mom surgical stocking and my mom would give her the milk from her meals on wheels for helping her :) also, when my mom wouldn't answer the phone when I called her, I would call Fannie to check on her and she always did. I called Fannie now and then to say hello and have been hoping she was ok. I will always be grateful for this lovely, always smiling lady. Maybe she and my mom are laughing together now about 69 Jackson Street's old time stories. God bless Fannie's family !!! My son and daughter and I have been working on FB creating an only 69 Jackson Street page, if you like to add anything message me on FB, I have pictures of your mom from my mom's 90th b'day which I will be posting ... God's Blessings on all of Fannie's family !!! Beverly Kaplan Plantamura
