“ Jason Gordon posted a condolence I met Richie in January of 1988 as I had moved in the “Continental House” in Freeport. I knew Richie’s younger brother Tim who worked at Baldwin Pro Bowl. I did not know that they were brothers at 1st. We first exchanged pleasantries then realized our common bowling denominator as Richie bowled with his wife Mary Ann in the Freeport high school faculty league. We became pals in our building then bowled together in a league in the summers in Merrick. Richie won the inaugural sportsmanship award for our league. Unfortunately with Richie and Mary Ann moving to RVC and me getting married we lost contact. Just thinking about the old days I looked up Richie and found out about his passing. I will never forget how I was selling re-financing as Richie and Mary Ann allowed me to handle their refinance lowering their term of years and letting me earn commission at a time that I did not have much income coming in. I now include Cystic Fibrosis in a yearly donation on behalf of Richie. I have since reached out to Mary Ann. I am truly sorry for Richie’s loss. Jason Gordon
