“ Betty Paulik posted a condolence *My deepest heartfelt condolences to Maureen and the Terry kids and grandchildren. My Dad and "Uncle Bob" were very close friends for over 50 years. I always referred to him as "Uncle Bob", he was my buddy. When my Dad passed two years ago, he quietly handled everything through the fire department which was unbelievably comforting to my family. I could never thank him enough. He went out of his way to help me and my Mom in every way he could. He was a gentlemen, a friend and an extended family member to me and I have always had the utmost respect for him. One Saturday morning, he drove by and said "get in the car kid...I want to go see your Pops" and we did just that...went to Greenfield and visited my Pops. I always thought that was very special. He did his morning drives around town and always came past my house and would sit on the front steps with me and we would talk about everything, more importantly, he always made me laugh and he always believed in me. I will miss him immensely. Rest in Peace Unc!!! Forever Heartbroken. Maureen, may God grant you the strength, peace and comfort you need at this time.*
