“ Tommy posted a symbolic gesture Machete! Always used to call Roberto Machete because of his resemblance to the actor Danny Trejo. He was a good friend. One of the first ppl I met when I got into the car business back in 2012. We bonded over our mutual love for the Yankees. I remember getting the official yankee team jacket in a large and being pissed because it was too big. But Roberto loved it so I sold it to him for half price. Good times. I'm happy hes no longer suffering but sad that hes gone so soon. My prayers and condolences to all of his family and friends. Roberto, god bless you my friend may you rest peacefully.
