“ Jil McClain posted a condolence I didn't get to know you very well but during the times we did share I enjoyed the sound of your voice, your conversation, company and the strong man that you were. My Mom spoke of the Life you both shared with Dad (Granddad) and how you were very close. She also spoke of a letter you wrote to her when you were 14 years of age. My only regret is of you passing and us never having the opportunity to share things as I've gotten older and really could've used some wisdom on my life journey from my Uncle. I'll always keep memories of you close and although you're gone, you'll always remain a part of me because I am your niece. Until we are together again, MAY YOU REST IN ETERNAL PEACE WITH OUR LORD JESUS.

Love you always,

Jil❤️
