“ Paul posted a condolence Dad i miss you already. I was the lucky one to be able to call you DAD. You showed me how to be a loving and caring father to my own family. You taught me so many things I could never stop saying thank you. Whenever I needed you ,you were there no matter what to help me grow as a person. So Dad I promise you I will continue to take good care of your Jeanine and my family just the way you showed me. Till we meet again.  
Love Paul

“ *Jeanine posted a condolence Daddy.*

*Thank you for being such a wonderful father and Grandfather to my children. My heart aches with the thought of not having you to talk too, hold your hand and see your beautiful smile and vicious personality. My memories are endless.. The walks on the beach, swimming circles in the pool as kids so it would be easier for you to skim the pool. The station wagon filled with the entire block to see a drive in movie. And the Sunday Dinners we spent as a family at my house with mommy.. Your grin when I gave you a sample bowl of sauce w a meatball and sausage and Italian bread of course to test.. As if you didn't know it was perfect.*

*You always said "wow".. Lol Rest in Peace my Father, Daddy, My best friend. Until we meet again.. You will live inside of me.*

*Love Always, Jeanine xo*
