“ Rick Benedikt posted a condolence *There are no words to express my sadness at the news of Sandy's passing. Kevin introduced me to Sandy on one of her early visits to Baldwin while they were dating, and we immediately seemed to connect as friends. Sandy's smile, joy of life, and joyfully wicked sense of humor cemented the deal! I was honored to be in their wedding in Paducah and always made it a point to plan time together with them on my once-frequent returns to Long Island. While Sandy will remain in the hearts of anyone who was blessed to know her, her presence will surely be missed. Kevin, both you and Sandy each won the lottery when you found each other!*

With sincerest condolences and enduring friendship,
Rick
