A meaning full life is not fulfilled with riches nor by being popular, nor being highly educated or by being perfect. A meaningful life is about being compassionate being humble, being able to share and touch the lives of others.

Stella Viola Elvirah aka Advirah, Virah was one of 13 children, born to Henry and Rosalyn Wynne of Saint Vincent on February 5th, 1934. Stella migrated to Trinidad in 1958 and then the USA in 1994. She left us to be with the Lord on November 17th, 2022. She was 88 years old. Stella worked at Columbia University Facilities department until her retirement. She was a God Fearing woman who believed that prayer can change things no matter what the circumstances you can always hear her saying thank God for Jesus.

She left behind to mourn 6 children, Diana, Patricia, Jennifer, Monica, Trevor Wynne, Carol and Freddie Harrington, 31 grandchildren, 45 great-grandchildren, and 5 great-great-grandchildren. She is survived by one sister Hermine Wynne, many nieces, nephews, cousins, and a host of relatives and friends in the USA, Trinidad & Tobago, England, Canada, Grenada, and St. Vincent whom she dearly loved. We loved her so much and we wish we had more time together. We will cherish all the great memories we had with her

and carry her values with us. We loved her.

“ Mon and her daughters cared for my beautiful Daughter Nicolette Harrington as if she was their own. Nicolette had three mothers. Mom, Jenifer and Carol Wynne. To Trevor and his sisters back home, your mother was in good hands up until her passing. Your sister carol cared for her every day. We were preparing for mom to come home on November 21st, 2022 and that did not happen. Everything to make your mother comfortable during her retirement was done for her by Carol and Jenifer. Carol was with mom every day at the hospital and at the rehab center. Every doctors appointment, Carol was there. The care she provided for your mother was A1, the best of the best.

Mom called me Mr. Freddie. She always ask me to bring her something from Brooklyn. She loved her zabuka-avacado.

I view mom as a lady who knew struggle, overcome many obstacles in life and did quality work. Her food dishes were second to none. Here soup was fabulous, everything was in it, dumplings, white yams, potatoes, sweet potato and dumplings. Her pelau was unique. Her labor of love was for family, and she was rewarded in kind by Carol with the love she gave us thousands of times over. Carol was her, nurse, doctor, attendant, masseuse and slept by moms side every night while she was at home.

Be thankful to your sisters for the care and love they provided for MOM.

Thanks MOM for all that you did, for the love you gave to others, for the many unique memory, and your ability to live good among men and women within the human family.

We Love you

Freddie J N Harrington

“ I was honored to call her mom. She had a big heart and accepted each individual as they are. Mom made me feel welcome and at home. Despite of all her pain not once she ever complained her words were ‘God is Good’ whenever you ask how are you. There’s no doubt that mom is with her maker and I will see her again because we’ll all be together in the presence of our Lord and Saviour. Mom will be missed more than she knows and her words of wisdom is embedded in me. I LOVE YOU MOM and I will miss you. For Carol and Jen who have and always be my family all I can say in a time of loss, I’m deeply sorry for your loss because losing mom in person will leave an emptiness. I love you guys and appreciate knowing you and being part of my life.

“ *My grandmother was the most kind, compassionate, loving and caring person I have ever known. She brought me up from a child to an adult. Taught me life lessons to which I now instill into my children. She was God fearing and loved the Lord with all her heart, so I know she's resting comfortably in the arms of the most high GOD. I will may never know love again as my grandmother and I had for each other. I can say most definitely, God placed you on earth as an angel amongst us, now he has taken you back to your home where milk and honey flows.*

*I will miss you, and I WILL ALWAYS LOVE YOU..*

*Your favorite grand child 😊 NICOLE WYNNE.*

“ I remember Stella Viola, Wynne- Patterson aka Adi, Vi, Phamo, mom, Virah, Boo boo etc as a God fearing woman, hard worker and her infectious laugh. She will be remembered for secluding herself morning, lunchtime and evening to pray and call upon God. She faithfully attended her weekday services as well. She will be remembered as a hard worker going up to the garden planting peas, corn, sorrel etc. She loved celebrating Christmas. She had us paint all palm plant pots and she had a special way of lining them off to the house. She always had her two special brooms to sweep the yard. She had an infectious laugh that can be heard from a distance. She also would be remembered for the mini shop she operated at home for a while which was a success. Can't forget her love for coffee with condensed milk. She loved watching Karate movies and sometimes Indian movies. I know my granny loved her Children, grand children and great grand etc and she will be surely missed. I am thankful for all the memories we shared and most of all her life she lived and died in Christ Jesus. May her soul R.I.P. 🇳🇪🇳🇪 🇳🇪🇳🇪🇳🇪🇳🇪🇳🇪🇳🇪

“ There is a sweetness to remembering and celebrating your beautiful life and much-loved soul. I am sure you have encountered many dark clouds on life's journey. But it was quickly chased away by your humor and laughter, Auntie. I can't recall ever seeing you upset over anything. On the contrary, the times spent around you were always full of jokes and laughter, which will become a part of my treasured memories of you.

• Love you, Auntie. You will be missed.
