“ *Petrina N. lit a candle Susie and I grew up together on Branch Avenue in Freeport, so I've known her since we were children. Along with my parents, Grandpa and siblings, we were all very close on that block. Susie and I would see each other practically everyday and there was also her mother, Mary, and her father, Evangelos, whom we called 'Angelo'. There were also the memories of Ya-Ya as well as Elaine, Steven, Kathy, Aunt Stella, Peter, and their two daughters & son. As Susie got older, she started to use 'Sue' but I will always remember her as 'Susie'. Rest in peace, Susie, you are with your beloved Charlie again as well as with your parents!*
