“ Sylvia Palmeri lit a candle Sending my deepest sympathies during this time of sorrow to Michelle & Bob, Michael & Juanita and dear grandkids. I have many wonderful memories of "Miss Val"....from when we first met as co-workers at SNCH, to bus trips with the kids to Hershey Park, to shopping at the outlets. Valerie will always have a special place in my heart and be fondly remembered by my family. Goodbye my dear friend, I will miss you! God's love and blessings.
