“ Auntie Val was like my therapist. Nothing is off limits with our conversations, and I will forever cherish those memories at her home. She really made me feel like I was her niece. I will miss her.

“ I am so disheartened to hear of the passing of Mrs. McKeldin. She was an astounding, very creative and intentional teacher. She made learning fun. She was my 6th grade teacher in the 1992-1993 school year at PS:30 and I'll never forget her. May her beautiful soul rest in the arms of the holy one.

“ Our last conversation was filled with Enlightenment, Praise and Encouragement. It was nothing different from the conversations after we first met at P.S. 30. Those interactions turned into Family Gatherings, Trick or Treating and Volleyball where you were the most serious referee ever! The impact you had on me and my children helped us grow, value ourselves and love each other unconditionally. Thank you for being that loving woman. Your smile and presence will be missed. The lessons that you taught us will be passed on and treasured forever. Lisa Finck

“ I met Valerie when I was the principal of PS 30 and I assigned her to a sixth grade class. This was not the easiest group to handle but they were putty in Valerie’s hands. She made her teaching relevant to their lives by tying their interests to her daily lessons as she did for Black History month when she dressed like a basketball player to teach them about former and present day players, or when the students were allowed to express their grief over the death of Tupac. Valerie was a master of her craft and an example for all the students who she loved in and out of her classroom

“ Dear Brittany and Olivia.
Uncle Gary and I were so sorry to hear of the passing of your mother. Our thoughts and prayers are with you and your dad. Know that we are here for you if you need a shoulder, an ear or anything else. Your mom had a beautiful smile and an infectious laugh. We fondly remember attending your birthday parties when you were children. We loved joining in on your mom's game nights. She was a great hostess and she loved people. She will be sorely missed. May she rest in peace.
Love you always,
Aunt Sheila
