“ Was such a good uncle to me for so many years. I will never forget the great memories over the years on South Long Beach Ave and Whaley street, all the holidays, and family parties. A stand-up guy in every way....In a world of often lousy people, it's really hard when a good one goes.

“ I have many fond memories of your dad from so long ago, all started at 774, dating your mother, delicious Italian food that your grandmother made, was always fun dynamics happening downstairs, running out on fire calls. I hope you find comfort in all your loving memories, may he RIP now with your mom. Cindy and Doug Vertigan
