William Edward “Bill” Green (Sr.)

June 14, 1943 – August 31, 2024

William Edward Green of Freeport, NY passed away in the early hours of Saturday August 31, 2024 at Mount Sinai South Nassau Hospital. He was 81. Bill was born in Rockville Centre to the late Edmund Francis Green and Mary Margaret (Strupel) Green on June 14, 1943.

Bill attended Hofstra University for his Bachelor of Science degree and earned his Master’s Degree in Professional Studies in Health Care Administration from Long Island University at C.W. Post Center. He served in Vietnam with the US Army Medical Services where he coordinated care and transport across branches for wounded soldiers. Bill retired a Lieutenant Colonel and continued his career as a federal civil servant, assisting with relief efforts and resource management following natural disasters around the country.

Bill was a devoted grandfather, father, husband, brother, son, and friend. He volunteered with Friends of Freeport, alongside his late wife Martha, helping local families clean up after Hurricane Sandy. Truly at home outdoors, he was a snow skier, water skier, swimmer, and amateur arborist. Bill was also a military history buff, pistachio aficionado, and expert wood chopper.

He joins his beloved wife Martha, who passed just 13 days before him.

Left to cherish Bill's memory are his sons; William Edward Green, Jr. (Julie), and John Patrick Green; his adoring grandchildren, Alexander John, Robert Stanton, and Desmond William; his brother Kevin Green and his son and granddaughters; sister Mary Lynn Youngman (John) and their sons and family; and countless additional extended family and close friends. Kylie, Bill's companion yellow Labrador, matched to him through Pets for Vets, also misses him dearly.

At the request of the family, in lieu of flowers, please consider memorial contributions to the Wounded Warrior Project (woundedwarriorproject.org) or to Pets for Vets (petsforvets.com).
